Each day brings new milestones and achievements for children and builds upon the last. We also know that children are more comfortable and prepared for learning when they are in a routine environment. With this in mind, Little Lambs Children's Center is careful to follow a daily schedule which builds on routine, but allows flexibility within the classroom.

Little Lambs Children's Center is a ministry extension of Shepherd Church of the Nazarene. It partners with our Christian School, Shepherd Christian School. Both the preschool, daycare, and school are located on the campus of the church.

We believe that loving God and loving others is a vital part of a child's development.

Our mission is to join with families to provide quality care for young children in a safe and fun environment.

"Our caring teachers help children learn and succeed. They leave preschool prepared for Kindergarten."
